THREE MONTH DEVELOPING BABY:

Your baby is quite active in the womb now, although his/her mother won't feel him/her for another couple of months. If his/her mother's womb had a window, you could watch your spiritually adopted baby squint, swallow, and move his/her tongue. He/She can make a tight fist if you touch his/her palm. He/She obtains the oxygen his/her body needs through the umbilical cord. The baby you are praying for weighs one ounce. What a miracle he/she is!!

SECOND COLLECTION TODAY IS FOR DIOCESAN RETIRED PRIESTS
