A REFLECTION

“We know that all things work for good for those who love God, who are called according to his purpose.” - Romans 8:28

Do you really trust God? Do you believe that all things work for good? Faith is a challenge for everyone at times. Putting our trust in God, in everything we do, means that God's plan for our lives may be different than our plan. When one door closes, another one opens. Trust in God, His plan is always better.

HELP A NEIGHBOR/FRIEND

A neighbor and friend of many years has an antique auto that is now failing. Unfortunately, he must travel to the VA hospital from here to Martinsburg, West Virginia regularly for medical treatment...it's a long trip but vital to his overall wellbeing. If anyone has an extra, working vehicle they are not using or can spare/donate for him to use, it would be a godsend for this person. Thanks so much for your consideration. Contact K. Christie:

PLAN NOW

AND COME!!!

There will be a **Chronic Disease Self-Management Workshop** being held at the Warrenton Community Center/Fauquier Senior Center beginning Aug 2 - Sept 6. It will run for 6 consecutive Wednesday mornings from 10a-12noon. This is a **FREE/NO COST** program open to those living with (or caregivers of those living with) **ANY** chronic condition. The Chronic Disease Self-Management Program is a peer-led, community based intervention that helps individuals with chronic conditions learn how to manage and improve their health. The program focuses on challenges that are common to individuals with chronic issues, such as pain management, nutrition, exercise, medication use, emotional impact, navigating the sometimes difficult healthcare system and effective communication between patient and physician. These are small, highly interactive workshops that allow participants to build the skills and confidence they need to manage their conditions/health and maintain active and fulfilling lives. For any further information, please do not hesitate to contact me. If any potential participants need information, have questions or want to pre-register, they may contact me as well. Otherwise, registration can take place at the first session of the workshop.

The Pregnancy Center in Culpeper is starting a **post-abortion Bible study** for women on Wednesday, August 23 at 7pm and lasting 8 weeks. This is a very confidential and healing group. If you are interested (or if any men are interested in a similar group), please contact Lindy Dimeo at (540) 727-0800

"The Most Holy Virgin in these last times in which we live has given a new efficacy to the recitation of the rosary to such an extent that there is no problem, no matter how difficult it is, whether temporal or above all spiritual, in the personal life of each one of us, of our families...that cannot be solved by the Rosary. There is no problem, I tell you, no matter how difficult it is, that we cannot resolve by the prayer of the Holy Rosary."

-Sister Lucia dos Santos (of Fatima)

PASTOR'S PIECE

Dear friends,

REGISTER NOW FOR RE CLASSES!

The parent letters and registration forms for next years Religious Education Classes are on the table to the left as you leave church. Our RE classes will begin Sunday September 17 and will be held at the usual time, 9:40-10:45 am on Sunday mornings. It would be a great help to me if you would register sooner rather than later since I would like to plan and order catechetical materials as soon as possible. St. Peter's is blessed with an excellent religious education program with great catechists.

WELCOME FR. MANUEL ESPINOSA, S.J.

While I am away, Fr. Manuel Espinosa will be doing the masses and confessions at St. Peter's. Fr. Manuel is a retired professor from the Catholic University of Ecuador and is long time pastor of the church in Miravalle, Ecuador (a suburb of Quito). Fr. Manuel did his studies in the United States and has been a friend of mine for many years. Get to know him! Invite him out! You will be blessed by his wisdom and joy.
