

# International Church Reform Network / priests- and reform-movements working together

## Participating organisations

We are a network. Networking means that everybody is self-responsible for their action. Yet we are connected and sometimes cooperate for certain events, publications or happenings. If appropriate we ask each other for solidarity.

At our last Conference "Chicago2016" , the following organisations were represented:

Australia National Council of Priests of Australia ([http://national council of priests](http://nationalcouncilofpriests.org/)), national council of priests

Australia, Catholics for Renewal (<http://www.catholicsforrenewal.org/>) Inc, <http://www.catholicsforrenewal.org/>
